DOES YOUR Husband Drink?

"ORRINE" Will Surely and Permanently Cure Him, Without His Knowledge.

Drunkennes is a disease and is so recognized by the medical profession. Don't expect to cure it by the use of your husband, son or father. If he has acquired a taste for strong drink, it is your duty to save him, yourself and family from the terrible consequences of the excessive use of whiskey, beer, wine, etc.

We guarantee that "ORRINE" will permanently destroy all desire for liquor, restore the stomach, nerves and digestion to normal conditions and improve the health of the patient, or we will refund the purchase money. "ORRINE" is tasteless, odorless and colorless and can be given in tea, coffee, water or milk without the knowledge of the patient. Mrs. E. Weylin, New York City, writes: "ORRINE" cured my husband, who was a steady drunkard for many years. He now has a desire for stimulants, his health is good and he is fully restored to manhood. He used only five boxes of "ORRINE."

NO MONEY FOR STRIKERS

A Check That Came to Richmond Not Properly Signed.

LEGISLATIVE CANDIDATES

Preparations Making for the Participants in the Orator Fight—More than Enough Names Secured for a Military Company.

(Special to The Times-Dispatch.)

PETERSBURG, VA., July 11.—No other union men have returned to work on the street cars. The three that returned were reinstated and very few vacancies now exist. The money expected Tuesday and again yesterday, from the order to pay off the men on the strike, has not yet come. It is said that the check came to Richmond, but was not properly signed and had to be returned for proper signature.

It seems now that the legislative district, composed of Prince George and Surry counties, will have ample material from which to select a representative. W. W. Taylor, of Brandon, is a candidate for that office which is now filled by Dr. Barham. Major Blair Pegram and Captain George Savage, of Surry; George F. Darracont, of Brandon; and Richard Eppes, of City Point, are mentioned as probable candidates. The representative from this district for several years has been a Surry man, and Prince George maintains that one of her citizens is now entitled to the honor.

CRATER REUNION.

Mr. George Bernard has gone to Portsmouth to confer with Colonel William H. Stewart in reference to the proposed reunion in Petersburg of the participants of the Crater fight. That the reunion will take place is a fact and it only remains to arrange the details. There will be a range of speakers for many thousands of visitors in Petersburg when the event takes place.

Mr. John E. Britton, of Richmond, and Miss Ella Pearl Harrison, of Prince George county, were married Wednesday morning at the residence of Nathaniel Burrow, in that county.

Market Street Church has voted Rev. S. C. Hatcher a vacation, and he is now in the mountains of Virginia, hoping to benefit his health.

Dr. F. W. Hains is quite sick at his home in this city.

Captain J. A. Nichols is ill with fever at his home in Prince George county.

MILITARY COMPANY.

More than enough names have been secured for a military company in Petersburg. The organization now depends on the support the city will give the company.

Rev. Dr. G. B. Strickler, of the Union Theological Seminary, will preach at Tabb Street Church to-morrow.

Bell Uckles, a negro, living on Jones Street, assaulted his daughter with an axe and threw bricks at her last evening because she had not attended to feeding the pigs before his return.

With an axe he ran towards the girl and as she threw up her arm to keep the blow off her head her arm was broken. The girl then fled, but before she had gotten beyond his reach he struck her with bricks.

The family, fearing further brutality from the fiend, did not make any complaint, and Uckles was not arrested to-day.

PYTHIAN ENCAMPMENT.

Petersburg Company, Uniform Rank Knights of Pythias, will go into encampment at Ocean View next month.

SUMMER NORMAL SCHOOL

Splendid Gathering of Virginia Teachers at Emory.

(Special to The Times-Dispatch.)

EMORY, VA., July 11.—The State Normal School for whites has opened at Emory this week to continue for a term of our weeks. The school is under the management of Professor E. H. Russell, superintendent of schools in Bristol, Va. His faculty is as follows: Professor E. H. Russell, Bristol, Va., civil government and arithmetic; Professor G. T. Surface, Emory and Henry College, science and geography; Dr. Hara, Baltimore, Md., history; Miss Virginia Reynolds, Farmville, nature study and physiology; Miss Lavinia Critz, Bristol, Va., English and literature; Miss Frances Williams, Roanoke, Va., primary methods and spelling; Miss Kelly, Richmond, Va., reading; Mrs. Ewens, Lockport, N. Y., penmanship; Miss Mollie Kennedy, Emory, Va., music and drawing.

The above faculty has attracted a large number of public school teachers from all the counties of the Southwest. In fact, the attendance is the largest yet known in the history of the State Summer Normal, and would be no doubt even larger if many teachers in the hot parts of the State knew of the delightful mountain climate here at Emory.

The school is using the grounds and buildings of Emory and Henry College, which is the first college of the State to throw open its doors for normal work for State teachers. The teachers seem highly pleased with their surroundings and instructors, and the beautiful old campus, which has been so quiet since commencement, is now made lively by the many coming and going, all busy but happy in their work.

In spite of the tennis and social pleasures indulged in as recreation, it is evident that the teachers are here chiefly for business, and if present indications hold this school will prove one of the most profitable to the individual teacher as well as the best attended of all the normal schools held in the State up to this time.

LAME LOCOMOTIVE

DELAYS TRAINS

The broken axle and wheel of a local freight locomotive on the Chesapeake and Ohio road, eastern division, caused the delay of the two passenger trains from Newport News last evening.

The accident occurred near Williamsburg. The axle and one of the wheels of the engine handling a freight train twisted and was crushed. No one was hurt, but the freight could not get out of the way before the passenger trains were due.

They were held for some while and came to Richmond when once free at a rate of speed that would have put a Penny Express train to shame. The engine was to bluish nothing reckless, but passengers said they few Richmondward at a tremendous pace. The bed of the eastern division of the C. and O. is kept always in fine condition, and it is safe to run fast trains over it just as over the great northern trunk lines.

Northside Shoot. Some came in wagons, some came walking and some came on the cars to the shoot, but the intense heat and car strike kept many shooters away who live a long distance from the range.

The last squad had just finished shooting when the storm started, and all of the members withdrew, leaving only the two to the lovely home of Mr. C. L. Hazelgrove on North Avenue, and waiting until the storm was over.

Mr. Coleman won the high gun medal and Mr. Martin the Robin Hood medal, but the most enthusiasm was over the three prizes limited by friends of the club. Coleman won first prize, and he carried it home as carefully as a basket of eggs. W. T. McDaniel, second prize, and Martin, third prize.

Next Saturday three more prizes have been donated by the club's friends, and the East-End Gun Club is expected over the shoot which will take as jolly a crowd as ever faced the traps for an evening's sport.

Shots at the Brooke, W. S. McDaniel, 41; Martin, 39; Coleman, 42; Harris, 27; Brauer, 23; Garber, 23; Neuhoff, 23; Hazelgrove, 23; Divers, 23.

Coming Marriage. Mrs. Susan V. Pollard has issued invitations to the marriage of her niece, Miss Ida Hensey Knight, to Mr. Abner C. Goode, to occur at 8 A. M. July 15th at St. John's M. E. Church.

Judge Longly Designated. Judge Selden Longley, of Pulaski, has been designated by Governor Montague to hold the next term of the County Court of Montgomery for Judge Walter M. Pierce.

Richmonders in New York. NEW YORK, July 11.—Earlington, W. L. Barnes and wife, H. R. Welsiger, T. B. McAdams, T. Whitte; Hoffman, E. V. Williams, S. S. Kelley; St. Denis, A. J. Rodenhelm.
